Chablis

**OR 13,400 PTS**

Domaine de Pisse Loup is a small, family-owned winery that produces a limited quantity of Chablis each year. This limited production means that each bottle of Chablis from Domaine de Pisse Loup is crafted with great care and attention to detail, resulting in a wine that is of the highest quality and truly special.

Chablis from Domaine de Pisse Loup is known for its crisp acidity, which makes it a great wine to pair with a wide range of foods, from oysters to grilled fish to creamy pasta dishes. The acidity also gives the wine a refreshing quality that makes it perfect for warm weather or as an aperitif.

DOMAINE TROUILLET  
SAINT-VÉРАН NORD-SUD 2021

Mâconnais

Founded in the 1900's, Domaine Trouillet sits in an ideal location at the foot of the famous Rock of Solutr , in the hamlet of Pouilly in Southern Burgundy. The domaine follows a philosophy in the vineyard that encompasses the use of specific cultivation techniques to reduce the number of plant treatments, by optimising their efficiency. In addition, soil work is widely practiced, to encourage underground life and rooting, to obtain richness and minerality in the final wines.

A plot of 70-year-old vines, ideally situated on a south-facing slope in the commune of Leynes, on a clay-limestone terroir. Produced and matured 100% in Burgundy barrels, offering a fruity, powerful and charming wine.

## DOMAINE COLLOTTE FIXIN BLANC 2020

Côte de Nuits

The Domaine Collotte operates 15 hectares of vines in the Burgundy appellations of Marsannay, Fixin, Gevrey-Chambertin and Chambolle-Musigny. The Domaine retains a family character and produces wines that express the typicity of the terroirs on which they are produced. The wines are the result of long and patient work. The vinifications are made in search of a simple and effective identity.

Fixin is a lesser-known appellation in the Burgundy region of France, and the wines produced there are reflective of the unique terroir of the region. Fixin wines are known for their earthy, mineral-driven flavours, which are quite different from the fruit-forward wines of other wines. Fixin wines from Domaine Collotte offer excellent value for the price. While Burgundy wines can often be quite expensive, Fixin wines are more reasonably priced, making them accessible to a wider range of wine enthusiasts. Despite their affordable price, these wines are of exceptional quality and can be enjoyed by both casual and serious wine drinkers.
